

Growing Business Together

The convenience of renting an office with everything at your disposal including desk, phone, copy machine and even a coffee machine is all possible at DBH Serviced Offices!

A professional working environment where you do not have to worry about the equipment or commit yourself to a long term contract.

DBH Serviced Office provides professional tailor-made infrastructural solutions for your company, independent of size. Whether it be serviced, virtual or a stand-by office, event organization or rental of meeting rooms, DBH Serviced Offices can take into consideration any unique demands in order that your company could service its clients at the highest quality standards.

DBH has three offices within Hungary; Budapest – Debrecen – Bucharest + 650 locations worldwide

As the only Hungarian member of the international network of Alliance Business Centers Network (ABCN), clients of DBH can access up to 8 hours of free rental space within 650 locations worldwide.

Rental constructions provided by DBH Serviced Office:

- **Serviced office** – tailor-made offices with on-demand size, rental period and complementary services
- **Virtual office** – exclusive office environment and continuous availability. Ideal for startups
- **Co-work office** – stylish and cost efficient working solution, whereby tenants can work within the same space. It is ideal for young companies with few employees
- **Stand-by office** – permanent security background for unexpected situations (natural disasters, fire) when your company has to move out immediately and its operation cannot be suspended for even a short period
- **Extra services** – rental of meeting rooms and conference rooms, complex organization of conferences and events, continuously available IT support and consultancy

“Being a law office operating in the fields of telecommunications, IT and real estate we were looking for a building as company headquarters where on the one hand our potential clients are also working and on the other hand it is also representative with a layout of high standard. The serviced offices provided by DBH have high added value ideal for smaller however dynamically developing companies. The offices are ready for use thus they are an optimal solution for companies eager to grow and concentrate on their core business.”
